

## Harborne Orchestra Members' Questionnaire 2013

Dear Members: I promised the Committee a while ago that I would survey you about the pieces you would prefer to **play** (not listen to), given the choice. There are all sorts of ways this could be done. I decided a good basis would be the list of pieces we've played over the last five years - since Xmas 2008 in fact. Please have a look at the numbered list of pieces and answer the following questions. With luck I should be able to process your returns in time for the AGM on Friday 27<sup>th</sup> September. Richard
